# NOTE FROM ALAN....

**Question: How do you get to Carnegie Hall?**

**Answer: PRACTICE, PRACTICE, PRACTICE!**

Alan Findlay  
Golf Club General Manager

No one knows for sure the true origins of that famous line; however what is clear, is that all LaPlaya Golf Club members enjoy practicing. With that in mind, over these summer months we plan to re-imagine and improve your Practice Tee and Practice Range areas.

In the plan for the 2014/15 season are;

- Increase in Practice Tee space and capacity
- Using the latest in quality grass that's more resilient, and recovers quickly.
- A chipping area onto the smaller practice green that truly resembles the experience on the golf course
- A grass mat, 7' wide by 200' long will be installed at the back Practice Tee, this will be used as an alternative option for the turf tee ground, and will be great for lessons and teaching.

Golf Course Superintendent Patrick Lewins and his team will be extremely busy compounding the efforts of last summer, with the central focus of turf health, on all greens, tees and fairways.

On behalf of the Team at LaPlaya Golf Club, thank you to the members and your guests for a memorable season. We wish everyone safe travels wherever you venture and a happy return later this year.

'Yours Aye,'

Alan Findlay  
LaPlaya Golf Club General Manager

## TIPS FROM THE PRO

Scott Richardson, PGA  
Head Golf Professional

### **Trouble Topping the Ball?**

If you are one of those folks who struggle at trying to get the ball in the air, whether it's off the tee or from the fairway, a solution may be simpler than you think. Too many people who hit the ball low subconsciously feel the need to help the ball up into the air, when it's just the opposite that is needed. The topped shot is caused by the bottom of the club hitting the ball above the equator of the golf ball. We need to get the bottom of the club lower at impact, and the easiest way to do this is to relax your neck and shoulders. Hit a couple of shots and see if your neck and shoulders tense up at impact, and then hit a couple of shots feeling those muscles staying long and loose. Tensing up, trying to help the ball up, picks up your club by 1/2 or 3/4 of an inch, causing you to hit the top half of the ball, killing some worms and your score in the process.

# PRO SHOP NEWS

Well, summer is here, which means hot weather, humid mornings, afternoon thunderstorms, and a look back at last season's events. Congratulations to the winners of some of our major events:

**Couples Gross Champions ~ Joe & Sue Skowronski**

**Couples Net Champions ~ Craig & Jayne VanderMolen**

**Member-Member ~ Jerry O'Neil & Gibby Quinn**

**Men's Club Champion ~ Mark Lott**

**Ladies' Club Champion ~ Maureen Whitehead**

**Men's Senior Gross Champion ~ Kevin Dwyer**

**Men's Senior Net Co-Champions ~ Bob Clark & John Commers**

**Ladies' Senior Net Champion ~ Jayne VanderMolen**

**Men's Invitational ~ Shad White & Marc Huling**

The club enjoyed great participation in every event this past year, and we want to thank everyone who played. If you were one of the ones who didn't get a chance to play in any events, try to make plans to participate next year. The golf course is always in great shape, the food is excellent, and the relationships that you build are worth every penny.

If you are staying in Naples for the summer, you are able to take advantage of the summer reciprocal program which allows our members to play at over 30 local clubs. Their members also have the chance to come play here. There are some things to keep in mind for summer golf if you stay in Naples. First, take care of your body. The heat and humidity will drain you faster this time of year than any other time. Drink water early and often, wear sun protection, and don't push yourself if you start to feel exhausted. Second, watch out for the summer thunderstorms. We have a lightning detection system here at LaPlaya, but some clubs do not. Lightning can strike as far as 10 miles away from the actual storm, so take plenty of precaution when storms are near. Third, because of the rain, the courses tend to play a little bit longer than during season, so keep in mind that you may want to hit one club more than usual because the ball just won't roll very far.

Junior Golf Clinics will be scheduled for the summertime. PGA Professional John Pack will be leading the charge to get the kids of our members out to learn the game. Watch for more information on times and days we will be running the clinics.

## LAUREL'S CORNER

**Laurel Kean**  
*Teaching Professional*

Would you like to make more short putts and get it closer on your long putts? The key is to stay still with your lower body and head as you stroke through the ball. Stroke the ball with your arms and shoulders while gripping the putter lightly. Feel the weight of the putter head as you follow through the ball. Practice watching a spot on the ground, under the ball, as you stroke the putt, keeping your left hand moving toward the target. Try to keep your spine angle the same until the ball stops moving, and just turn your head to watch it fall in (do not stand up or move too quickly before impact). It takes time to feel comfortable with any change, but if you enjoy the process of practicing, you will enjoy the game and the goal of lowering your putts per round.

## Gazpacho with Shrimp and Avocado

Cheryl Bryskiewicz  
Golf Club Chef

Serves 4

The first seven ingredients should be diced or chopped into small pieces.

- 1 peeled cucumber seeded and diced in small pieces
- 2 tomatoes
- 2 bunches of chives
- 1 medium carrot
- 1 big bunch of cilantro chopped
- 2 stalks diced celery
- 1 small red pepper
- 3 6 oz. cans V-8 juice
- Juice of 3 limes
- Juice of 1 lemon
- 1 tsp. salt
- 1 tsp. pepper
- 1 tsp. garlic salt
- ½ pound shrimp 16-20 size cooked and medium diced
- 2 ripe avocados medium diced

"I prefer Hass avocados because they are creamier"...Chef Cheryl

Mix all together.

Take ¼ of the ingredients and puree in a blender or food processor. Then add puree back to the chunky soup and mix together. Fold in or place on top as garnish the shrimp and avocado.

## Sea Turtle Nesting Time

Between now and October, our LaPlaya beach, in common with beaches all along the Southwest Florida coast, becomes a nesting site for endangered sea turtles.

The females come ashore at night, climb above the water line and dig a shallow nest into which they lay ping-pong-ball-sized eggs. They then cover the eggs with sand and return to the sea. We can encourage a successful subsequent hatch by remaining far away from nest sites, and when a female is on her nest by making no noise. If disturbed, she'll simply re-enter the water and abort her eggs. So don't approach, prod, frighten, or in any way disorient a nesting turtle.

If and when the eggs hatch, do not remove the hatchlings from the nest; they'll emerge when they're ready to. When they do, let them find their way to the water on their own. Bright lights can disorient them, causing them to crawl in circles, even away from the water, so please turn off all lights, including flashlights, flash photography, and video equipment.

Florida's Marine Turtle Protection Act specifies stiff criminal and civil penalties for anyone found interfering in any way with nesting sea turtles. Accordingly, all lights on the terrace will be turned off nightly at 9 pm with only candle light permitted thereafter.

Recently, LaPlaya held their first-ever LaPlaya Member Games. We were inspired by the Olympics to put on a friendly fitness competition for our club Members. Eight members accepted the challenge, and competed in a series of nine events around the property, including swimming laps, using a rope to pull our 20 lb. kettlebell across the beach and even racing on paddleboards. Our athletes got a chance to have a little fun, get some exercise and walk away with prizes ranging

Sergei Fedotov  
Personal Trainer

from lunch at the Tiki bar to a massage. Based on the positive response we are anticipating holding this event again next year.

### Sign Up for Water Aerobics

Our Water Aerobics classes are very popular with our Members, with summertime a great time to get fit outdoors. Remember to sign up for the class with SpaTerre at 239-598-5117. Because the class is held outdoors, inclement weather can naturally prevent class from being held as scheduled. This is especially important as we head into the rainy season when storms are more common. If class is not going to be held, we will contact you ahead of time.

## A NOTE FROM SUSIE

Summertime and the living is truly easy! Well at least the traffic has decreased as our snowbirds have returned home. What a winter it has been in the North! However, we don't mind, as when it's cold up there, many of you stay on longer in Naples!

We've had a great season with fully-attended events. Tiki, Baleen and Club dining saw more members than ever before and there has been lots of beach, pool, Spa and fitness time for you; we hope you've taken the time to enjoy it all! We have certainly noted that as the years progress, many of you are becoming Florida residents and, of course, many of our Members with families live in Naples, which keeps us busy year round! Naples continues to become less and less seasonal as years go by.

The summer months bring many changes in hours of operation in many of the Club's areas, so please be sure to make a note of those. Member receptions, Mother's Day Brunch and the Summer Family Cookout will go on as scheduled and we look forward to seeing you there.

As we change seasons, on behalf of our Team, I would like to extend a heartfelt thank you for all of the support that you have given us at the Club. This has been an extraordinary season and we hope you have enjoyed being here as much as we have enjoyed serving you. **Have a wonderful summer!**

**Warmest regards.**

Susie Mitchell  
Beach Club General Manager

## Doug Williams Schedule

Doug will be winding down his season at LaPlaya on June 14, so come listen to Doug play the piano keys before he leaves for his summer in New Jersey.

**Wednesday-Saturday**  
6:30 to 9:30 pm through May 10

**Thursday-Saturday**  
6:30 to 9:30 pm through June 14

Doug will be performing at the **Peter Shields Inn** in Cape May, New Jersey June 19 through September 19, returning to LaPlaya Beach Club October 16.

# WELCOME NEW MEMBERS

We extend a sincere welcome to all new Members who joined the LaPlaya Club over the past several months. We are confident that your membership at the Club in the coming years will help create many warm and lasting moments for your family's Memory Book.

# MESSAGE FROM MEMBERSHIP

Sandy Cotter  
*Director of Membership*

Dear Members,

You have probably noticed me touring the Club with the smiling faces of new prospective members. I would like to take this opportunity to say "Thank You" for always being so cordial and welcoming when I do have people with me. There is nothing better than a "member testimonial".

There certainly has been such an increased stream of traffic over the past year as people look to make Naples their new residence or second home. Many baby boomers are making that life changing decision! Very exciting, but relax, many are not moving here full time for several more years.

I thought you might find interesting where the new membership inquiries are coming from. In years past it was definitely the Midwest corridor that fed into South-west Florida, but now they are arriving from around the country. Here are the Top Ten feeder markets for 2013 -2014:

New York  
Illinois  
Massachusetts  
Pennsylvania  
Ohio  
New Jersey  
Connecticut  
Maryland  
Canada  
Minnesota

For the many members leaving us for the summer, we wish you safe travels. For those members remaining in Naples, we hope to see you often at the Club. And for those new year-rounders that are now formally Naples residents, I am confident you will agree that the summer time in Naples is the best time!

See you soon!

Sandy Cotter  
Director of Membership

## SUMMER FITNESS SCHEDULE

On June 1<sup>st</sup>, the club will move to our summer schedule of fitness classes. Summer is a quieter time at the club, so make sure to double-check the fitness schedule to see what classes are offered this time of year. While we hope you take advantage of the classes, summer is also a perfect time to enjoy fitness on your own or with your fellow members: why not meet for a morning walk on the sand to enjoy the beauty and tranquility of Vanderbilt beach in summer?

The fitness calendar can be found at [www.laplayaclub.com](http://www.laplayaclub.com), paper copies are available in the fitness center, or the spa staff would be happy to email you a copy.
